A VICTORY FOR THE PEOPLE

Mr. Wang is a volunteer writer for the VOICE column of the **Ohio Chinese American News**

After being barraged for weeks with negative campaign ads, the American People have spoken on 11/07/2006. And the People have given themselves the victory. Sure, winning politicians are rejoicing too, and the losers and their party advisors are analyzing the numbers and thinking of the next campaign - but the victory rightfully belongs to those who reinvigorated our democracy by voting. The balance of political power in America has moved significantly towards the center; the specter of domination by one party has ended.

Democracy works best with checks and balances and this election has started the movement towards the restoration of the vision of the Founders - a system of government with three separate and independent branches which will keep vigil over each other and yet will conduct the People's business with civility and honor. The People have also spoken on the underlying values which dominated their minds as they cast their votes - discomfort over a war which no longer makes sense and uncompromising opposition to corruption in government. The politicians are now expected to honor the will of the People by working together to ensure that the American People regain our position as the brilliant beacon of democracy for the world to see and follow.

汽車保險知識問答
什麼是租車保險，這和到外面租車有何關係嗎？為何每次租車我會被問要不要保險我真的需要買嗎？

汽車保險里的租車保險，是在交通意外發生以後，保障自己的車在修理期間有租車的好處。一般會從\$30-\$50/天不等，最高會用20-30天不等。而自己外出 travel 去租車公司租車，和以上講的就不同了。你開租來的車和開自己保險的車一模一樣。所以如果你自己的車是全保的話，你最多會負責就是自負 Deductible。租車行還提供自付保險。一般大約 \$10/天。這樣你就不用擔心任何意外了。但如果自己的車是半保的話，就需要買一點的保險，大約 \$20/天或更多。
